

Successful Light Energy Saving Test on T&K LMS Conducted by Sino Group

Sino Group Director Daryl W. K. Ng (left) attends Prof. Henry Chung's (right) presentation on T & K LMS system.

SINO Group is very keen on energy saving and environmental friendliness. Mr. Daryl W. K. Ng (Executive Director of SINO), Mr. Sunny K. Yeung (Executive Director) and Mr. Gary K.W. Chan (Assistance General Manager-Maintenance) visited City University on 14/07/2009 to examine the e.Energy T&K LMS dimmer and discussed the method of energy saving. A very successful Light Energy Saving Test has been conducted to cover wide range of lighting facilities within SINO Group. The result is very positive. SINO Group is planning to apply the T&K LMS in their managed buildings.
